<b>Dimensions (L x W x H):</b>	312 x 264 x 54mm	351 x 264 x 54mm	472 x 264 x 54mm	472 x 264 x 54mm	312 x 264 x 54mm	381 x 264 x 54mm	472 x 264 x 54mm

## Highlights

- All-new design with aluminum mounting feet
- White backlit JBL® logo and dual LED light bars
- Heavy-duty Direct-Connect terminals
- Reduced physical dimensions

# Grand Touring® Series

## GTO Amplifiers

## FEATURES

### **New Quality**

- All GTO amplifiers feature a full aluminum heatsink (and aluminum feet) for significantly improved thermal performance. They also come with high-quality terminals for reliable connections.

### **New Value**

- All subwoofer amplifiers now offer our proprietary Dynamic Bass Optimization, which perfectly combines a subsonic filter with variable bass boost. The subwoofer level remote is now included in all subwoofer amps and the 5-channel model.

### **New Electronics**

- New GTO is less noisy and produces less distortion for perfect sound quality.

### **New Elegance**

- The new design offers reduced height and less footprint than previous GTO amps.

### **New Illumination**

- The dual LED light bars and the backlit JBL logo on the new GTO amps give any trunk a nice, white ambient light.
