

## BEST HOME THEATRE SPEAKERS

### Bowers & Wilkins MT-20 [www.e-hifi.com.au](http://www.e-hifi.com.au) | \$2,594

Utilising the M1 satellite speakers that were engineered using technologies developed from B&W's reference 800 Series, the MT-20 creates awesome theatre sound quality and a consistent sound field that is hard to beat. And to cap it all off, it is one of the easiest to install theatre systems on the market.

### Jamo Concert C809 [www.qualifi.com.au](http://www.qualifi.com.au) | \$4,209
