

## BEST HOME THEATRE KIT OVER \$2,000

▶ **Bowers & Wilkins**  
**MT-30**  
**\$3,894**

A treat for both the eyes and the ears, this B&W system, with its metal alloy enclosures intelligent cable management and robust build quality, takes sub/sat design to the next level. Performance is outstanding. Stereo music sings, while multi-channel mode delivers a seamless, supremely entertaining soundstag. A class act.
